

OCTOBER AT 1116

As we're entering a new season of Home Church, and making adjustments to sustain the spiritual health of each group, we would like to have everyone meet on-site each Sunday at 10 am for the month of October. At the culmination of this month, it is our intention to restart Home Churches with a revived focus.

While we wait for a move of God, we are to pursue Him. Set aside time each day to connect with Jesus. Take some time this week to write down what you need/want in moving forward. Then engage in self-exploration of where these desires may come from, and then ask if they are Biblically supported? Needs/wants can be anything related to how we gather, to how we behave individually and collectively as a body of believers.

NEEDS/WANTS	WHERE DO THESE NEEDS/WANTS COME FROM?	ARE THEY BIBLICAL? (PLEASE INCLUDE SCRIPTURE REFERENCES)
